Department of Communication

Answer:

Question:Can I earn credit for more than one internship during my college years? Answer: Yes! Many students take an internship their junior year, as soon as they become eligible, and another their **se** or year, just before they graduate. In these cas**be**,ftrst, COMM 495 course credits they earn satisfies their COMM Core requirement. The second set of COMM 495 credits they earn are counted toward their 120 elective credits for graduation.
