- Faculty Handbook Updates approved in 2019. This is a live document so we can update things as necessary.
- Budget Look at available budget and make sure expenses are encumbered before end of the fiscal year. FY 23 is not great but also not as bad as first thought.
- Marketing Thanks for the letter regarding marketing for graduate programs and the graduate student body. This is a good opportunity to review what is being done and work to get more data and photos of graduate students.
- Accomplishments How do we celebrate grad students? Recognizes there is disappointment about no separate Grad Walk. Grads can do SUSRC and nation8.94 1-11(g)10(rnnBTpp0.00000912 0 62 792 reW³)
