

# Business Salisbury University

In 2015, Salisbury University  
celebrates its 100th anniversary.  
To mark this special occasion,  
we are launching a series of  
business-university partnerships.  
These partnerships will focus on  
areas such as research, student  
employment, and community  
service. We are currently seeking  
business partners who are interested  
in these areas. If you are interested,  
please contact us at [redacted]  
or visit our website at [redacted].
