1. **Welcoming and Opening Remarks** – President Carolyn Lepre
   o Dr. Lepre welcomed the group, and asked everyone to introduce themselves with their department and what was important to them about President's Advisory Team (PAT) meetings. Most responses included the chance to see colleagues in person, the informational aspects of the meeting and opportunities to share information.
   o Dr. Lepre thanked everyone who participated in last week's Admission's Open House, that had a 25% increase in potential students attending over last year.

- o She encouraged supervisors to be aware of the impact the last few years have had on their employees and encouraged them to find ways to support the physical and mental wellness of our community. To this end, with the help of Staff Senate and Human Resources, a professional development committee has been established to focus on ensuring professional development opportunities.

- o Maroon and Gold Fridays will have a new look; watch your email for more details on opportunities for giveaways and prizes.

- o The October 26 Salisbury University home Field Hockey game will offer a voucher for complimentary concessions during the 5:00 p.m. game.
